Certain services are not considered medically necessary by your health plan. They may be helpful to you, but the terms of your plan do not pay for these services. These non-reimbursable services and/or supplies are typically the responsibility of the patient. Listed below are services not covered under your current health plan contract but are being recommended by your provider.

By signing this form, I, _____, (please print) DOB _____ understand that I am agreeing in advance to receive these specific services and to pay for the services indicated below as they are not a covered benefit with my insurance plan.

<i>Medication</i>	<i>Price Per Pellet</i>	<i>X</i>
Male pellet	\$439.00	
Female pellet	\$164.00
