Attention OHP Client – Read this information carefully before you sign.

Before you sign you should be sure each service is not covered by OHP or your coordinated care organization (CCO) or managed care plan. Here are some things you can do:

① **Check to make sure the service is not covered**

OHA, your CCO or plan will send you a Notice of Action if they do not cover a service that your provider requests. If you did not receive a Notice of Action, ask your CCO, plan or provider to send you one so you can be sure the service is not covered by OHP.

② **Request an Appeal and or Hearing**

Once you have a Notice of Action, you can request an Appeal or Hearing. Read the Notice of Action carefully. It will explain why the service was denied. It will also give you information about your right to appeal the denial or ask for a hearing.

If you also have Medicare, you may have other Appeal rights. If you have both OHP and Medicare, call 800-Medicare (800-633-4227) or TTY 711.

③ **Check to see if there are other ways to get the service**

Ask your provider if:

- They have tried all other covered options available for treating your condition.
- There is a hospital, medical school, service organization, free clinic or county health department that might provide this service, or help you pay for it.

Will your OHP benefits, or any other health insurance you may have, change soon? If so, try to find out if this service will be covered when your benefits change.

④ **Ask about reduced rates and discounts**

Ask your provider if they can offer you a reduced rate for the service or if they offer discounts for people who pay for services privately. They may have nothing to offer you, but you won't know unless you ask.

⑤ **Get a second opinion**

You may find another provider who will charge you less for the service.

Additional costs

There may be services from other providers – like hospital, anesthesia, therapy or laboratory services – that go with the service you want. You will have to pay for these, too. Ask your provider for the names and phone numbers of the other providers. Contact those providers to find out what their charges will be.
